## How To Play A Solo On A Song You've Never Heard Before

G Pentatonic Scale = Magic

To to find a pentatonic scale: 1) Start with a Major scale - See measures 9-16

- 2) Number each note (scale degree) from 1-7 See measures 9-16
- 3) Remove 4 and 7 from the scale See measures 17-24
- 4) The notes that are left are the Pentatonic Scale See measures 25-30
